### ACCOUNT DOCUMENT DELIVERY PREFERENCES

Our eDelivery service allows you to receive notification of all account documents (see definition below) via email instead of printed versions. You may also elect to receive emails for transaction confirmations but continue to receive paper copies of your other account documents. Through our eDelivery service, you will receive an email notification when your statements and/or confirmations are available for you to view online at Active Investor. If you select the "all account documents" option, you will also receive an email (with a hyperlink to the document) when prospectuses and other regulatory documents are available to view. If the email address you provide is invalid, you will receive printed versions of the documents.

Please **select only one (1)** of the options below and provide your email address (if applicable). *If you do not select an option (or select an invalid option), you will receive all account documents by postal mail.*

**eDelivery of All Account Documents** I hereby consent to electronic delivery of **all** of my account documents. To consent to the electronic delivery of **all** of your account documents, please confirm the bulleted statements below by checking the box and providing your email address.
