<sup>1</sup> A portion of this distribution is estimated to be a return of capital rather than income. Final determination of the character of distributions will be made at year-end. The Section 19(a) notice referenced below provides more information and can be found at [www.guggenheiminvestments.com](http://www.guggenheiminvestments.com).

**Past performance is not indicative of future performance.** As of this announcement, the sources of each fund distribution are estimates. Distributions may be paid from sources of income other than ordinary income, such as short term capital gains, long term capital gains or return of capital. Unless otherwise noted, the distributions above are not anticipated to include a return of capital. If a distribution consists of something other than ordinary income, a Section 19(a) notice detailing the anticipated source(s) of the distribution will be made available. The Section 19(a) notice will be posted to a Fund's website and to the Depository Trust & Clearing Corporation so that brokers can distribute such notices to Shareholders of the Fund. Section 19(a) notices are provided for informational purposes only and not for tax reporting purposes. The final determination of the source and tax characteristics of all distributions in 2016 will be made after the end of the year. This information is not legal or tax advice. Consult a professional regarding your specific legal or tax matters.
